

# Are you a nurse new to pediatrics?

Join the extraordinary team of pediatric nurses at Children's Hospital New Orleans

## Introducing the Children's Hospital Adult to Pediatric Program

It provides a comprehensive pediatric-specific, skills-based orientation designed for the experienced nurse who has limited or no pediatric background.

### Ideal candidates include:

- Nurses who want to transition from adult to pediatric nursing
- Nurses who want to transition from office setting to hospital setting
- Nurses interested in working in pediatric care but have limited or no pediatric experience

### Professional development opportunities:

- Entrance into CCNE Accredited Nurse Residency Program for nurses with less than 1 year of nursing experience
- Clinical Ladder Program
- Tuition Reimbursement
- Financial support for specialty certification
- Free access to Pediatric Learning Solutions (PLS) database of online pediatric specific courses
