## Children's Hospital Transfer Center

**855.CHNOLA.1**

**855.246.6521**

**504.896.6673**

The Transfer Center is staffed 24/7 by registered nurses who can conduct three-way calls on a recorded line between the referring physician and the Children's Hospital accepting physician.

The Transfer Center can also facilitate a consultative call with the on-call specialist, even if a transfer is not needed.

The Transfer Center coordinates all transfers and admissions to Children's Hospital and dispatches a dedicated critical care transport team by ambulance, helicopter or fixed-wing aircraft to transport critically ill or injured patients from referring hospitals.
