

Thank you for wearing a mask in all areas of this building.

Wearing a mask can help stop the spread of coronavirus. Thank you for doing your part to keep our staff and members safe.

Know the right way to wear a mask

Correct way

Incorrect way

- Loop the straps around your ears.
- Use two fingers to press the concealed thin metal wire down to fit the shape of the nose.
- The thin metal wire along the upper edge of the mask should be pressed gently against the bridge of your nose.

The mask should cover your mouth, nose, and chin with the colored side facing outwards.
